PENALTY ON PURCHASE OF 2-CENT POSTALS TO BE RECEIVED MARCH 22

The penalty of 10 per cent on purchases of postal cards above 50 will be recinded on March 22, it was announced today by the Post Office Department.

A ruling came out several weeks ago whereby patrons who purchased over 50 postal cards at one time, 10 per cent was added.

PMA Committee Set Up Land Reclamation Project For County

The Marshall County PMA Committee set up a land reclamation project for Marshall County. There is a payment of \$10 per acre up to ten acres per farm if this practice is carried out to meet certain specifications. This land must be grown up with small trees, eight to fifteen feet high with some gullies washed in it. Land with too many trees or gullies and is too rolling should be set in trees.

If you are interested in this project, go to the PMA office and sign a request and get additional information. A representative of the S.C.S. will come to the farm and check your request and advise you upon your request.

Marshall County farmers have until March 31 to go to the PMA office and release one type of dark tobacco to trade for the other type.

If you desire any additional information contact the Marshall County PMA Committee or the SCS.

MR. AND MRS. I. G. BRUCE ANNOUNCE ENGAGEMENT OF DAUGHTER, GENEVA

Mr. and Mrs. I. G. Bruce of Benton, formerly of Keiser, Ark., announce the engagement of their daughter, Geneva, to James E. Hurley, son of Mr. and Mrs. Harry Hurley, of Benton.

The wedding will take place on April 13 in the First Missionary Baptist Church in Benton, with the Rev. Frank Young officiating.

Miss Bruce was graduated from Keiser High School, Keiser, Ark., and attended Arkansas State college, Jonesboro, and is a student at Draughton's Business College of Paducah. She is a member of Alpha Omicron Pi sorority.

Mr. Hurley is a graduate of Calvert City High School and Murray State College. He served in the U. S. Army, European Theater during World War II and is now connected with the Huron Contracting Company, Louisville.

Following their honeymoon they will reside in Louisville.

GIRL SCOUTS PRESENT PROGRAM FOR THE JUNIOR WOMAN'S CLUB

The Junior Woman's Club met Thursday night, March 7 at the Community Building. Mrs. Volney Brien conducted the business meeting. Various reports were given, and the club voted to contribute to the cancer drive.

Mr. Earl Osborne was elected chairman of the nominating committee for the election of officers to be held at the next meeting. Mrs. Pete Gunn, Jr., Mrs. Jean Austin, and Mrs. Kenton Holland were selected on Mrs. Osborne's committee. The club voted to give the girl scouts their earned badges for the year.

The Benton Girl Scout, Troop 41 presented an interesting program on Girl Scouting. They sang the Girl Scout Song and gave the Girl Scout Promise. The girls each gave a brief summary of the work required to receive badges in the many different fields. Girls participating in the program were Patricia Hatcher, Wanda Lane, Jane Duffy, Mignon Nelson, Carolyn Hicks, Diane Hiett, Suzanne Peak and Sandra Johnson.

The St. Patrick's theme was carried out in refreshments and the decoration of the dining room and tables. Hostesses for the meeting were Mrs. Travis Downs, Mrs. Pete Gunn, Jr., Mrs. Ruth Barnett, and Mrs. Alman Kennedy.

Several Hundred Visitors Attend "Open House" at New Kenlake Hotel Saturday

Several hundred visitors attended the "open house" held at the new Kenlake hotel on Kentucky Lake Saturday. The visitors came from all over the state and surrounding states.

The hotel was opened for the use of the public Saturday, but the official dedication will be held later, tentative plans call for April 15.

Persons who visited the hotel describe it as most beautiful of all Park hotels. Visitors were given an opportunity to inspect the hotel and its facilities for taking care of visitors.

The new hotel has 58 rooms, and, according to reports, all of them were filled Saturday night.

A number of State officials, including Henry Ward, of Frankfort, attended the opening.

Examining Trial Is Held Before County Judge Jones Here Wednesday Afternoon

According to Sheriff Volney Brien, Byers was arrested in Paducah on a warrant obtained by the Sheriff following the report of the alleged robbery.

Sheriff Brien stated that Byers was accused of the charge by Mr. and Mrs. Henry Dick, an aged couple who live in one of Byers' houses. The Sheriff reported that the Dick's were awakened around 1:00 A. M. Saturday morning by a prowler who forced open a door, taking approximately \$95.00 and the trousers of Mr. Dick.

Byers was placed in jail here during the week end. Following the trial here Wednesday Judge Jones set his bond at \$2,000 and Byers was returned to jail. Further investigation of the alleged charges will probably be made by the grand jury at the coming session of Circuit Court.

Facts truck owners should know about hauling bigger payloads

"With our new Dodge, the payload is high, the cost per mile low!"

... says MORRIS SAPIR

Dependable Furniture Company, Oakland, California

"After using Dodge 'Job-Rated' trucks for eight years exclusively, I want to report that your new models are keeping me sold on Dodge."

"No vehicle we have ever seen can give our drivers more freedom in city traffic than our Dodge 1-ton truck. With our new Dodge, the payload is high, the cost per mile low."

WANT to know why you can carry more payload with Dodge "Job-Rated" trucks?

First, they've got better weight distribution. This means that bigger payload capacity is engineered into a Dodge "Job-Rated" truck. Many trucks carry too much weight on the rear axle, not enough on the front. But in a Dodge truck, the right proportion of the load is carried on each axle.

Besides this better weight distribution, a shorter wheelbase provides easier turning, easier parking. Come in and try one of these payload-packing, easier-handling trucks for yourself. Get all the facts about hauling bigger payloads.

Carry more! In Dodge "Job-Rated" trucks, the engine is placed forward and the front axle back — for better distribution of the load. You can carry bigger payloads — without overloading.

Haul faster! Dodge "Job-Rated" trucks are powered by high-compression engines to give you top performance with rock-bottom economy. Big power gives you pull and speed that save time.

Get longer life! There's a Dodge truck that's "Job-Rated" to fit your road and load condition — with load-carrying and load-moving units factory-engineered to stand up on toughest service.

See us today for the best buy in low-cost transportation...

GOOD COFFEE STARTS WITH A CLEAN COFFEE MAKER

Really good coffee starts with a scrupulously clean coffee maker. Many a poor cup of coffee is due to the fine invisible oily films which cling to the walls of the coffee maker and get stale. Ironically enough, when the oils which give the coffee its wonderful flavor cling to the pot, they grow rancid and lend a decided off-flavor to the next brew. Rinsing in hot water won't always remove the oily film, but brushing with baking soda and water does the trick. Sprinkle a little soda on the inside of the pot and on the fittings. Brush or wipe clean and then rinse well in hot water. Water with soda can be boiled in a glass or porcelain-enamel coffee maker but an aluminum pot and pitcher should only be brushed with it before rinsing. Cloth filters should be kept sweet and fresh by rinsing them in soda water — about 3 tablespoons to the quart of water. Between rinses, keep filters covered with cold water.

Business Woman

Lesson for March 23, 1952

THERE were no timetables and no maps on the ship that carried Paul from Troas to Samothrace and Neapolis. But even if there had been maps posted in the cabin, and even if they had had the words ASIA and EUROPE where they ought to have been, it is doubtful whether Paul or any of his party would have thought that as we think it is.

For the Christian religion was now, for the first time, so far as we know, leaping from the continent of its birth to the continent where it would have power for more than a thousand years. But Luke, writing Acts, does not even notice this fact. To educated people of that day, the name of the continent of "Europe" meant little or nothing. It was mostly populated by barbarians anyway.

The important word of that day was centered around the Mediterranean. Going into Macedonia from Troas was simply going from one province of the Roman Empire to another. Centuries went by before Christians realized what an epoch-making step this was.

She Was at Prayer-Meeting
If there were no maps, there were no Hotel Red Books, either. There was no way of wiring ahead for accommodations. When Paul arrived in Philippi, a strange city, he did not look up the Travelers' Aid or the Chamber of Commerce; he hunted up the nearest prayer-meeting.

There he met and converted the woman named Lydia, the first European ever to become a Christian. She is in many ways a kind of sample of many and many a Christian after her. For one thing, she was a business woman, a seller of purple, that is, the purple dye which was so expensive and so much in demand in those days.

It is an interesting fact that while Christianity draws from every level of society, top to bottom, the first convert in all Europe was not a rich man, not a beggar, not a professional man, not a slave, but an independent, middle-class business woman.

Successful Salesman
CHRISTIANITY has always appealed to salesmen. They do not pretend to be the greatest people on earth, but they have always helped to make the world go 'round. One of the most vigorous Christian organizations in America is the Gideons, made up entirely of traveling salesmen. It would be interesting to think what it is about the Christian religion that appeals especially to business people, but we must pass on.

Lydia, we note, must have been successful in her purple-dye business, since she had a home big enough to entertain the entire missionary party. Able, successful people, people who can go out against stiff competition and make good — the Christian church is well supplied with such persons. They have always been the backbone of the church.

Then Lydia was also a successful woman. Some religions, such as Islam, appeal especially to men, and leave women out of the picture except in so far as they can be useful to men. Christ, on the contrary, ever since the earliest days in Galilee has made an appeal to both men and women. Indeed, one of the greatest triumphs of Christianity has been what it has done for womanhood.

If woman's lot over the world is better than it was 3,000 years ago, if women would rather live, if they had their choice, in Christian lands than where Christianity has never taken strong foothold, it is because of the kind of religion that Christianity is.

Open Heart, Open Home
FURTHERMORE and most important, Lydia devoted what she had to the service of Christ and his cause. She set her house at the disposal of Paul and his missionary friends, and we can well imagine that Lydia had a large part in later years, in sending those parcels to Paul in prison at Rome. How much the church owes to hospitable women!

A good church is one into which the women who are members carry the same hospitality that is their habit at home, not only opening their homes to ministers, missionaries, Christian workers, but making the church itself a home-away-from-home for the lonely.

Life without a woman's touch would be a dreary thing; and so would a womanless church.

A Plan For The Future Or A Plan Of The Present

THE ADRIAN is a story and without basement, but centrally located alcove for a utility room for laundry shower bath on the first floor on the second floor.

There are three bedrooms first floor, which can be used as a den, and two on the second. Of this plan is the fact that is self-sufficient and the rooms can be finished off in.

The galley-type kitchen has opposite walls, with sink and window, allowing ample dining area.

Exterior finish is planned siding and asphalt shingles. Overall dimensions are 30' x 40'. Area is 860 square feet, with 12,780.

We hope we can be of service to you on plans for a Home. We invite you to discuss your plans with

friend and associate, Fred Filbeck, with whom it has been a
great pleasure and privilege to
have been associated, in the
many years he has served the
Bank of Benton, as Director and

First Vice President, both of
fices having been served well un
til his death on Feb. 4, 1952.

Whereas: The said Fred Filbeck in earlier years was associ
ated with J. D. Peterson and J.
P. Stille, both former Presidents
of the Bank of Benton, then
later was owner and operator
of the Filbeck Funeral Home and
at the time of his death was a
partner in the Filbeck-Cann

Therefore be it resolved First:
In the death of Fred Filbeck,
our organization has suffered
the loss of a faithful and effi

civic minded friend, his Church
a faithful member and his home
a faithful companion.

Second: Be it further resolved,
we will miss his council in our
meetings and in remembrance
of his friendship, loyalty and wis

Board of Directors of the Bank
of Benton will keep his good
deeds, fresh in our memory.

Third: Be it further resolved
that a page in our minute book
be dedicated to his memory and
these resolutions be copied there
on. Upon motion by Paul Darnall
and seconded by Muscoe B. Mar

LETTERS TO EDITOR
LAZZY Acres Farm, Hardin, Ky.
March 14

Mr. E. W. Wyatt,
Brains & Chief Skipper,
Marshall Courier:

Notice in today's issue of the
Marshall Courier, Want Ad sec
tion, that Mrs. Cross is desirous
of a few quarts of strawberry
"preservices."

I'm sure it is a delicacy of some
sort, but I am at a loss to know
just what to look for. If you will
let me know, and she is unable
to locate any around Benton,
I'll see what can be done around
Hardin or Dexter.

I feel sure that if L. C. Starks
was here, he and I might be able
to run down some right here in
Hardin, provided of course you
would let us know just what to
inquire for. I might be admit
ting my own ignorance, but
honestly Ervie, I never heard of
strawberry preservices before.
Won't you kindly straighten me
out on this subject?

Your old dot and dash friend
G. O. PACE
Chief Skipper's Note: You are
darn right I'll STRAIGHTEN you
out next time I see you. Where
have you been all my life any
way, you old popcorn and
whippoorwill raiser.

"Preservices" is the PNEU way
of spelling preserves that have
been preserved; that is mash
ed or chewed up so that indi
gestion takes hold and keeps a
person awake all night, if there
is no camphor or asafoetida on
the mantle piece. A quart of
Permy is just as good if you
have the stopper off.

For the past 6 or 8 weeks I
have been setting in type what
was Not in my mind, if any, so
don't think I have been entirely
fastened in a straight-jacket.

At the time the ad was set,
had just finished talking to W. B.
Kennedy about the pre-Easter
services to be held at Ky. Dam,
so I got the strawberry jam and
worship all twisted. A lot of
folks do that, but it is still jam.
Now, how's that for a first class
covey for the strawberry joose?
Better not send for L. C., be
cause he's an old time Ridge
Runner, Apple Knocker, and pe
ruser of errors by overworked
and underfed editors.

I'll compromise only for a bag
of pre-salted popcorn, or a set
tin' of pre-peppered whippoor
will eggs.

Otherwise we'll go to court.

NOTICE: We are trying to locate all children in the Marshall County School district that have become 6 years of age since July 1, 1951 or will be 6 years of age by June 30, 1952. We must have a list of these children in order to secure our per capita payment from the State for our schools next year. If any parent has a child that comes in the above dates, please notify us at once. This will mean more financial aid for our schools. Marshall County School Superintendent's Office, Holland Rose, Supt. 47 3c

CARD OF THANKS

We sincerely appreciate and thank all of our friends and neighbors for the many deeds of kindness shown us during the recent illness and death of our beloved husband and father, A. L. Faughn. Especially do we wish to thank each and everyone for the beautiful flowers, Dr. Starks Bro. Wiley Mathis for the comforting message, the ones who sang, Filbeck - Cann Funeral Home and all who assisted us in any way. May God's richest blessings rest upon you. The Faughn Family

PALMA SCHOOL NEWS

Well here we are again with more news from Palma school. The eighth grade has had few chances to show their talent so last week when Mrs. Chandler, teacher of the first, second, third and fourth grades, was sick, so the eighth grade students decided after a whole day of trying to keep four grades quiet and teaching a few lessons in the meantime, they were showing too much talent. Mrs. Camper, one of the parents, taught two days. We finally got a sub-

stitute teacher. We had two new girl students, Georgetta Kizer and Donna Christ. The first one is from New Mexico and the latter from Missouri. Grades of the boys have been decreasing since they enrolled. The Palma 4-H club meeting was held at Palma school Tuesday. Mr. J. H. Miller made an

interesting talk. Linda Garland and Lois Derrington had a contest and Linda won. We play a game of basketball with Fairdealing Friday. We hope to win this time.

Mr. and Mrs. L. P. Ryckert and Mrs. Ambrose Henson, of Route 1, visited Mrs. T. W. Haymes at the Murray hospital Tuesday.

Mrs. Helen Farley and son, Wamon, Mr. and Mrs. Jake B. Tubbs, and Mrs. Ellie McNeeley, of Route 5, were shopping visitors in Benton Monday.

Ira C. Cramer, of Route 2, was among the Benton visitors in town Saturday.
